Subject: No Confidence Vote

To: "John Petrin" <jpetrin@ashlandmass.com>Cc: "Chief Scott Rohmer" <srohmer@ashlandpd.org>

Sir,

I am writing to inform you that the Ashland Police Association held a meeting last night. During the meeting members had a lengthy discussion with regards to Chief Rohmer's ability to lead the Ashland Police Department. Due to recent events and allegations of misconduct by Chief Rohmer, a "no confidence vote" was taken. Every single member, but one voted that they had no confidence in Chief Rohmer's ability to lead the Ashland Police Department. This vote was a direct result of the egregious and indefensible practices that Chief Rohmer has employed over the course of many months. Chief Rohmer's continued lack of effective leadership has discredited himself and the police department and damaged the department's reputation.

Respectfully,

Greg Fawkes APA President
